

Co-Curricular Staff Assignments

Code #535.02

It is the policy of the Tri-County Area School District Board of Education to assign extra/co-curricular duties. The Board is committed to secure the best personnel possible. Professionally trained individuals who meet state certification requirements and who satisfy the District's standards will be first considered in filling co-curricular staff positions.

Vacancy notices will be posted on-line in the District. A search for qualified applicants shall extend to new personnel filling a teacher vacancy. If necessary, help will be solicited from qualified non-faculty candidates.

Faculty certified teachers holding coaching or co-curricular assignments may resign. If a suitable replacement cannot be found the faculty person may be requested to assume the duties for one more year.

Members of the Board may serve as volunteer coaches or supervisors of extracurricular activities if all of the following apply:

- The member does not receive compensation for serving as a volunteer coach or supervisor;
- The member agrees to abstain from voting on any issue, excluding the District's annual budget, that comes before the Board that substantially and directly concerns the activity that he or she coaches or supervises while he or she is serving as a volunteer coach or supervisor;
- The Board receives the results of a criminal background investigation of the member by the Wisconsin Department of Justice or the Federal Bureau of Investigation;
- The member otherwise meets the District criteria for volunteer coaches or supervisors.
