

**Evaluation of Administrative Team**

**Code #225.01**

The Tri-County Area School District Board of Education delegates to the District Administrator the responsibility to establish an annual evaluation program for administrative staff members. Said evaluation system shall include annual evaluations, and include an approved Educator Effectiveness program for appropriate administrators.

All administrative staff evaluations will be based on board-adopted written job descriptions, including job-related activities, and observations of the individual's performance, where appropriate, as part of the evaluation data.
