

Section 300: Instruction

**General Education Development Certificate**

**Code #345.63**

General Education Development Certificates (GED's) and High School Equivalency Diplomas will not be issued by the Tri-County Area School District.

The State Superintendent of Public Instruction will issue General Education Development Certificates (GED's) and High School Equivalency Diplomas in accordance with state laws and regulations.

The Tri-County Area School District shall only issue diplomas of graduation to students. Students issued diplomas of graduation shall have satisfactorily completed established graduation requirements.
