

**Student Policies Goals**

**Code #410.00**

Students are the first concern of the Tri-County Area School District and must receive the primary attention of the Board and all staff members. To fulfill our obligation to students, the Board will strive to spend significant time in formulating policy and considering other matters related to students. A similar commitment is expected of all staff members. In pursuing this primary goal, it is imperative that the good of the individual student be kept paramount. Each student shall be considered and treated with respect as an individual. One of the major tasks of the educational program shall be to assist each student in becoming self-sufficient in the utilization of decision-making processes and techniques, eventually becoming responsible for determining his/her own learning purposes and the means for achieving them. Staff members shall be skillful facilitators of learning. To this end, the Board and staff shall work together to establish an environment conducive to the very best learning achievement for each student through meeting the following goals regarding students:

- To individualize the learning program in order to provide appropriately for each student according to his/her specific background, capabilities, learning styles, interests, and aspirations.
- To protect and observe the legal rights of students.
- To enhance the self-image of each student through helping him/her feel respected and worthy, and through a learning environment which provides positive encouragement.
- To provide an environment of reality in which students can learn personal and civic responsibility for their actions through meaningful experiences as school citizens.
- To deal with students in matters of discipline in a just and constructive manner.
- To provide in every way feasible for the safety, health and welfare of students.
- To promote consistent attendance, academic success and work excellence.
