

Section 400: Students

Student Accident Insurance Program

Code #451.00

The Tri-County Area School District shall provide student accident insurance for students who regularly attend classes in the District at no cost to students or at some pro-rated amount established by the Board as authorized by the Annual Meeting. Such insurance shall be provided at the discretion of the Board and may be discontinued on the anniversary date of the policy.

Students who regularly attend classes in the District and attend classes at other educational sites outside the District (Mid-State Technical College, UW-Stevens Point, etc.) while not under the direct supervision of school personnel are covered under the District's student accident insurance program.

Transfer students and/or non-resident students who reside in another school district but who regularly attend classes in the District are covered under the District's student accident program.

Students who reside in the District who regularly attend school in another district are **not** covered under the District's student accident program.
