

Professional Staff Assignments, Transfers

Code #535.00

The Tri-County Area School District will make professional staff assignments and transfers in accordance with the Department of Public Instruction regulations regarding certification.

The Board recognizes that one of its greatest responsibilities is to make sure the best certified professional staff is assigned to teach students attending the District. Therefore, professional staff assignments are made in keeping with the best interest of students. Transfers of professional staff to new or existing staff positions will be made keeping with the best interest of students.
