

Section 500 - Personnel

Professional Staff Meetings

Code #535.03

Tri-County Area School District regular and emergency staff meetings shall take place at such times deemed appropriate and necessary in order to inform, educate, communicate, or otherwise exchange suggestions and/or recommendations about the operation of the school building. At their discretion, the District Administrator and Principal may hold faculty meetings. Teachers are expected to attend staff meetings unless excused by the District Administrator or Principal. Any staff member excused from staff meeting(s) is responsible for acquiring all information disseminated or discussed for implementing any directive provided at the missed staff meeting.
