

Orientation of New Teachers

Code #537.02

New teachers to the Tri-County Area School District shall become familiar with District policy and procedures. The Administration will provide new teachers with information regarding the District's policies that impact the teacher's conditions of employment, procedures, practices, and daily responsibilities.

Orientation of new teachers shall take place before school starts for the next school year and/or soon after employment in the District commences.

All first year teachers in the District will be assigned a mentor in accordance with the provisions of PI 34.17 of Wisconsin Administrative Code.
