

Organizing for Instruction (General Organizational Plan)

Code #320.00

The educational services of the Tri-County Area School District shall be organized and coordinated as an integrated program of instruction for grades Pre-kindergarten through 12th grade. The grouping or housing of students for instruction within the District shall be done in such a way as to meet established goals and objectives. The unique and individual needs of children with special needs shall be met through alternatives to the basic organizational plan.
