

Section 300: Instruction

Curriculum Evaluation

Code #334.00

The Tri-County Area School District Board of Education is committed to the principle that all facets of the District's educational program should be reviewed and evaluated on an on-going basis. The program evaluation process shall be designed, implemented and monitored by the Curriculum & Program Evaluation Committee. The process shall allow for a systematic and well-organized approach to evaluation, and shall involve members of the certified staff in self-evaluation of designated program areas.

The District Administrator shall assume full responsibility for the administration and leadership of the program evaluation process. Recommendations for program changes resulting from the self-evaluation and/or audit phases of the evaluation shall be subject to Board approval, as needed.
