

Independent Study

Code #343.03

The Tri-County Area School District shall maintain an independent study program at Tri-County High School. This program places the responsibility of learning with the individual student. Independent study may provide additional or further depth into a course already listed in the school's curriculum; it may provide the opportunity for the study of a unit of work not covered in the school curriculum or it may be the alternative method for taking a particular course if scheduling conflicts occur.

The high school principal shall develop independent study regulations.
