

**School Assembly Programs (Administrative Rule)**

**Code #382.00AR**

The following general guidelines should be used when selecting assembly programs for the Tri-County Area School District.

- Assembly programs should have educational value.
- Programs should be varied and appeal to the interests of students.
- Wide participation in the programs shall be encouraged.
- Good taste should be demonstrated in the kinds of programs and behavior shown.
- Where political concepts are being presented, an effort should be made to provide for the expression of divergent viewpoints.
