

Section 400: Students

Student Council

Code #442.00

The Tri-County Area School District Board sanctions and recommends the organization of a student council in grades 7 and 8 and grades 9 through 12.

A student council shall assist in improving the general welfare of the student body and shall provide students the opportunity to participate in an orderly function of the democratic process.

The student council is required to abide by all District policies, rules, regulations and procedures. The student council shall act as a recommending body to the Administration on topics of student interest and concern.

The Administration and the student council shall work to maintain open communication, not only between the Administration and the student council, but among all members of the school community.
