

**Student Demonstrations, Disruptions and/or Illegal Assemblies**

**Code #446.00**

It shall be the policy of the Tri-County Area School District Board of Education to prohibit any student, citizen, individual, or groups of students, citizens, or individuals to assemble or congregate in any school building or on the school property if such assemblage does not have the approval of the Board or its designated administrative officer, if such assemblage serves as a distraction or disruption to the operation of the District's program or activities, or if such assemblage creates an apprehension of great bodily harm to any person or damage to any public property.

Students enrolled in the District who violate this policy shall be subject to suspension from school for a maximum of five (5) days and may be referred to the Board for possible expulsion action in accordance with state law if such students persistently refuse or neglect to obey this rule. The Board may also request the District Attorney to initiate criminal action against such students and their parent(s) or legal guardian(s).

The Board does hereby empower the District Administrator and his/her delegated officers to properly enforce and administer this policy.
